

Tallies, Frequency Charts, and Line Plots

Make a frequency chart for each set of tally marks in Exercises 1–2.

1. Number of hours of television watched yesterday

Hours	Tally
0	
1	
2	
3	
4	
5	

Frequency Chart

2. Number of pets at home

Pets	Tally
0	
1	
2	
3	
4	
5	

Frequency Chart

3. Make a line plot of the number of books read last month.

Books	Frequency
0	4
1	6
2	3
3	2
4	1

4. The following data set shows the answers people gave when asked how many hours they slept last night: 8, 7, 8, 6, 8, 7, 5, 6, 9, 7, 6, 8, 7, 9, 7

a. Make a frequency chart for the data. b. Make a line plot for the data.
